Transformation for Every Home

WinterGreen
synthetic grass

This Residential line from Shawgrass offers a variety of products that can transform an outdoor space into the focal point of any home. The Navigation Collection is no different, offering a budget-conscious synthetic turf solution for any lawn. Combining green, lush fibers with an added thatch layer translates into a natural, well-manicured aesthetic that will raise curb appeal and envy.

Key Highlights

Transformative Variety: Not only enhances your lawn but reshapes the entire ambiance of your outdoor space.

Budget-Conscious Elegance: Beauty and affordability can coexist, offering a budget-conscious solution without compromising on aesthetics.

Curb Appeal Mastery: Green, lush fibers, and an added thatch layer work in harmony to raise curb appeal, ensuring your home stands out in the neighborhood.
